SUBJECT: A537 – Turkey Roasts

This letter is sent to inform schools that the USDA is behind in purchasing turkey roasts orders this school year because prices have been extremely high.

Orders that were requested for September and October will not be purchased before the holidays. Currently we are projecting to receive 2 trucks in early January (maybe 3). Due to these delays we have cancelled 2 of the 5 trucks originally planned for us.

Please contact me at (602) 542-8781 if you have any questions.
